Subject: BBA: Notes from Mining Workgroup Meeting, September

Bristol Bay Assessment Team:

Attached are my expanded notes from the Mining Workgroup Meeting, September 20-21. First, an apology for not distributing sooner. Second, another apology, but to the members of the workgroup. I did not have the opportunity to have these notes reviewed by those who participated in the meeting. Therefore, errors, omissions, and any misrepresentation are all the fault of the note-taker! Third, the notes are incomplete. There are a few topics not yet summarized in these notes.

Enjoy - I'm sure some of the notes will fuel discussions for our teleconference later today. Keep in mind that the major purpose of that call is to discuss conceptual models and Kate will be leading the discussion.

Jeff
